Your Thirty Feet of Bowels

is simply Weakness, or Laziness of the Bowel-Muscles.

Want of Exercise, Indoor Employment, weakens these Bowel-Muscles, just as it weakens Arm and Leg Muscles.

Castor Oil, or Glycerine, will grease the passages for one load of Food at a time, but these lubricants can't help the Cause of Delay.

"Physio" like Salts, Calomel, Jalap, Phosphate of Soda, Mineral Waters, simply flush-out the Bowels for the one occasion only.

They do not remove the Cause of Constipation.

Moreover, they waste so much of the precious Digestive Fluids, in the flushing process, that it takes a bigger dose every succeeding time to move the Bowel load.

But it is different with Cascarets.

Cascarets act on the Muscles of the Bowels and Intestines. They act just as Cold Water, or Exercise act on a Lazy man.

They act like exercise.

A Cascarets produces the same sort of Natural result that a Six Mile walk in the country would produce.

The Vest Pocket Box is sold by all Druggists, at Ten Cents.

Be very careful to get the genuine, made only by the Sterling Remedy Co., and never sold in bulk. Every tablet stamped "CCC."

YOU have thirty feet of Intestines! What makes food travel through them? A set of Muscles that line the walls of these Intestines or Bowels.

When a piece of Food rubs the walls of the Intestines these Muscles tighten behind it, and thus it starts a Muscle-wave which drives it through the whole length of the Bowels.

It should take about 12 hours to do this properly, so that nutritious parts of the food may have time to be digested and absorbed.

But—if it takes twice or three times that period the food spoils in passing, and becomes as poisonous as if it had decayed before being eaten.

Now, the cause of delay (Constipation)

WE WANT TO SEND TO OUR FRIENDS! French-designed, GOLD-PLATED BOX, hard-cramping in color. It is a beauty for the dressing-table. Ten cents in stamps is cash for a measure of good faith and to cover cost of Cascarets, with which this dainty trinket is loaded. Send to day, mentioning this paper, Address: Sterling Remedy Company, Chicago or New York
